# Enjoy Putting Again

When I was a young boy, the Putting Green was a real joy.  
I imagined winning the US Open on every six foot putt.  
Made a bunch of them. Missed a bunch too.

When I was a bit older, it wasn't nearly so much fun.  
In fact, tournament pressure made putting a real pain.  
Missing putts was frustrating, and the few makes were not fun either.

But now, putting is fun again.  
So much so, that I feel just like that young boy again.  
The putts show the truth of the game to me again.  
Watch out, US Open.
